## Splat raconte ses vacances

Raconte une chose que tu as aimé faire pendant tes vacances, puis dessine la

A 10x10 grid of squares. The grid is composed of 10 columns and 10 rows. A 6x6 square is located in the center of the grid, starting from the second column and second row, and ending at the seventh column and seventh row. This central square is empty. The squares surrounding this central square, forming a border of one square thick, are shaded light blue. There are 28 shaded squares in total (a 2x6 strip on the top and bottom, and 6x2 strips on the left and right). The remaining 36 squares in the grid are white.

## Splat raconte ses vacances

Raconte une chose que tu as aimé faire pendant tes vacances, puis dessine la

A 10x10 grid of squares. The outer border consists of one square thick on all four sides. The inner area, which is 6 squares wide and 6 squares high, is completely empty. This layout is typical for a 10x10 grid-in response area where the border is used for marking answers and the center is for writing.
