

Hi! I am Stacy! I was born on the 20th April 2005 so I am 12 and a half years old!

I live with my parents and younger brother in a bungalow in the South of England in a small town called Lulworth. It is on the coast - I am very lucky because I love surfing! I can surf very well! And I can go swimming every day if I want! I am a good swimmer too but I usually only go in the summer because the sea is too cold!

I am quite outgoing and bold - I love a challenge and am not easily scared! I am generally kind and patient, but just not with my little brother! We have got a guinea pig called Scampy and a goldfish called Bubble.

I have got long brown hair with a fringe, green eyes and freckles. I hate them! My Dad is Irish and my Mum is English so that means I'm British! I love Irish food - my favourite dish is traditional Irish stew!
