**Consigne**

Associez les étiquettes correspondantes : une étiquette son en anglais et une étiquette mot en français.

Si c'est juste, les deux étiquettes disparaissent.

OK

ma mère

Audio B

Audio C

A screenshot of a digital activity interface. A central box contains the task instructions: "Consigne" (Task), "Associez les étiquettes correspondantes : une étiquette son en anglais et une étiquette mot en français." (Associate the corresponding labels: one sound label in English and one word label in French.), and "Si c'est juste, les deux étiquettes disparaissent." (If it's correct, the two labels disappear.). Below the box are two buttons: "OK" and "ma mère". To the right of the box is a button labeled "Audio B". At the bottom of the screen are two more buttons: "Audio C" and a large orange hand icon pointing towards the "Audio C" button.

## Activité 2

<https://learningapps.org/1320881>

The screenshot shows a mobile application interface for a family-themed activity. At the top, there are four cards representing different types of exercises:

- Expression écrite (Homer Simpson)
- Compréhension orale/Expression écrite (crossword puzzle)
- Compréhension écrite (Bart Simpson)
- Compréhension orale (Homer Simpson, circled in red)

The main screen is titled "The family" and includes a date: 2017-05-16 (2015-01-25). It features a yellow background with several audio buttons labeled A through F, each associated with a Simpson character. A hand is pointing at the audio button for Homer (Audio E). A pop-up window titled "Consigne" contains the instruction: "Associe le mot entendu avec la bonne image." (Associate the heard word with the correct image.) It also has an "OK" button. In the bottom right corner of the main screen, there is a blue circular button with a checkmark icon.

A screenshot of a digital activity titled "My family". The interface includes a header with the title and a date, and a footer with a checkmark icon. The main area features a tree diagram with several branches. Each branch has a small character illustration at its end. Two red location pins are attached to the branches. A central callout box contains the instructions: "Clique sur les signets rouges, choisis la désignation qui correspond." and an "OK" button. Below the tree, there are three small portrait photographs: a woman with blonde hair, a man holding a child, and another woman with blonde hair.
